Hotels & Resorts, Thai Red Cross Society and Singha Corporation proudly present the grande dame of jazz herself, Kamala Sukosol, in her annual charity concert extravaganza entitled "Hollywood Stars & Divas". The concert series will run from March 15th till 17th in the Kamolthip Ballroom, Siam City Hotel, Bangkok.

All proceeds from the concert series will go to the Thai Red Cross Society, split between the Princess Sirindhorn Chulalongkorn Craniofacial Center, which provides free and invaluable operations and care to underprivileged Thai children with facial deformities, and Flood Relief Fund, assisting those affected by the recent disaster in central Thailand.

The concert will be jam-packed with wonderful entertainment by Kamala Sukosol, president of Siam Hotels & Resorts, and her talented family: daughters, Marisa and Daranee, granddaughter, Natalia and sons, Sukie and Noi (Krissada). Joining the Sukosols on stage will be the 20-member Prachin Songpaw Big Band Orchestra, special guest Dolchai Boonyaratavej and spectacular dancers from the Aree School of Dance Arts.

This year's concert will pay respects to some of the world's most memorable, beloved and inspirational songs and performers. The concert's unique songbook will range from classics like Edith Piaf's "La Vie En Rose" to Michael Jackson's "Thriller" and Cher's recent hit "Welcome to Burlesque".

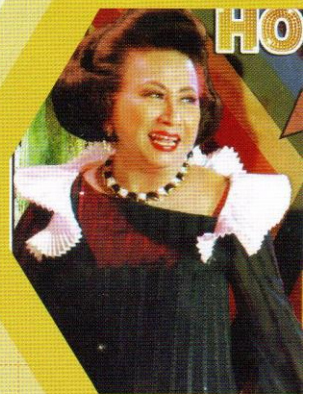

Highlights will include the **Jazz Swinging Kings**: Frank Sinatra, Tony Bennett and Michael Buble and Thailand's dynamite mother-daughter duo, Kamala and Marisa,

paying homage to one of the greatest family teams of all time – Judy Garland and Liza Minnelli.

The ensemble will also perform two heartfelt tributes, the first to the undisputed queen of British soul music, Amy Winehouse, and the other to the incredible US singer, actress, dancer and civil rights activist Lena Horne. Audiences should not miss this unique opportunity to see magnificent live singing, dancing, costumes and music at a caliber seldom experienced outside the realm of Broadway and the West End.
